Laws of Environment: For this competition we use launch sites which are located in conservation areas of the isle of Rügen.
The special permit is the result of a long and confiding cooperation with the administration of the isle of Rügen and the region of Mecklenburg-Vorpommern.
We want not to adventure these status; therefore we point out that the pilots have to respect the needs of the environment and conservation referred to the articles of the DAeC dated 27th March 2010.
Competitors which ignore the valid regulations of the isle of Rügen are not allowed to take part at the competition or are suspended from the competition.
